

External Adventures of Biblio the Bee

Brief

The Bibliotheca Alexandrina believes in the importance of spreading knowledge. Therefore, the Library organizes some activities for children from 6 to 11 years. Since the Library wants to reach more patrons, it organizes visits in order to introduce its activities, such as:

- 1) My Book: Digital and Printed project visits
- 2) Storytelling and crafts visits
- 3) Book club visits

My Book: Digital and Printed Project

The Bibliotheca Alexandrina has provided this project via a mobile unit in order to spread the idea and encourage children to read. Thus, a presentation is given accompanied by an explanation of the printing process. Then, the children create a small booklet.

Eligibility

The school must have a playground for the car to enter the school, to allow students to see the processes a book has to go through.

Visit Goals

- 1) Encourage children to read.
- 2) Create a connection between different sources of knowledge, such as books, computers, and internet.
- 3) Encourage the use of computers.
- 4) Allow the children to get used to searching different resources.

Storytelling and Crafts (Arabic or English Languages)

This activity is presented to 6 to 8 year old children. It is storytelling in a brand new way, and then an artwork related to it is implemented.

Visit Goals

- 1) Encourage children to read.
- 2) Develop ways to implement activities.
- 3) Develop children's creativity.

Book Club

This activity is presented to 9 to 11 year old children. It is a discussion about a book that features a certain subject or celebrity, and is presented in the form of an interesting game.

Visit Goals

- 1) Encourage children to read.
- 2) Develop ways to implement activities.
- 3) Build a critical approach in the children's mentality.
